Anything that's not included that I should know about?

Travel time fee: There is no travel fee for weddings that take place within the Brisbane area. Other locations may incur a travel fee, quoted on request. Rehearsal if requested: \$150. A travel fee may also apply depending on the rehearsal location. Due to our detailed ceremony planning processes, including your personalised ceremony wording and run sheet being provided and confirmed by you, along with access to our professional rehearsal video, it's very rare that our couples request a rehearsal.

Ordering a marriage certificate: If you require an official registry issued marriage certificate, these are issued by BDM QLD. We will happily assist you with applying for this. Their fee is approximately \$60 depending on your chosen postage type and is payable directly by you to BDM QLD at the time they register your marriage.

Marriage booking confirmation letter if required for visa purposes if e.g. for partner visa applicants \$55 (inc. GST).
